Hi again
Just send it to us
I think this is one of the most used
For analyzer's in diving
If you agree then send 2

Have a nice day

Hi

Unfortunately for goods being sent outside of the UK, they need to be accompanied by an invoice, so your clients would see the price. In addition to this, your clients would be responsible for any duties or taxes due for customs clearance.

Please let us know how you would like to proceed.

Kind regards
Ryan
