Good afternoon Arjun,

Thank you for your email.

We have two options for the OOMLF204 sensor as follows:

The direct **lead-free** equivalent is our part number 0110814 OOMLF204-D. This is a non stock sensor and would have an approximate lead time of 6-8 weeks.

We can also offer the standard (**lead**) version, part number 0110047- R-47V which is in stock.

The price breaks for both options are as follows (they are both priced the same):

0110814 OOMLF204-D

1 = £ 80.00	2 = £ 76.00 each	3-10 = £ 72.00 each	11 or more = £ 68.00 each
-------------	------------------	---------------------	---------------------------

0110047- R-47V

1 = £ 80.00	2 = £ 76.00 each	3-10 = £ 72.00 each	11 or more = £ 68.00 each
-------------	------------------	---------------------	---------------------------

Carriage is free for medical oxygen sensors and all prices are excluding VAT.

I would be happy to issue a quotation for either of these sensors.

I look forward to your reply.

Subject: Request for Quotation – Honeywell Oxygen Sensor OOMLF204

To: orders@viamed.co.uk <orders@viamed.co.uk>, info@viamed.co.uk <info@viamed.co.uk>

Good Afternoon,

On behalf of the EBME Department at Lister Hospital, I am writing to request a quotation for **Honeywell Oxygen Sensor OOMLF204** for one of our **Fabian Therapy Evolution Non-Invasive Ventilators** (Serial Number: **CEE01417**).

We require **3 oxygen sensors** and would appreciate it if you could provide your quotation, including pricing, availability, and delivery lead time, at your earliest convenience.

Thank you for your assistance. We look forward to your prompt response.

Many Thanks
Kind Regards,
