Good afternoon Alex,

Thank you for your email.

The returns reference you need is **SRS69503**.

Please could this reference be used on any paperwork/packaging sent with the unit, along with a certificate of decontamination status if possible. Please could the batteries be removed from the device?

The address is as follows:

Viamed Ltd
Service Team SRS69503
15 Station Road
Cross Hills
Keighley
West Yorkshire
BD20 7DT

We will email a quotation when the service team have looked at your device and we would not proceed until you send in a PO.

The cost of a V1000 functional check service which includes a certificate of calibration is £70, plus £12 return carriage, plus VAT.

We advise that the unit is sent to us using a tracked courier service.

Many thanks.

Kind regards

Kate Griffiths
