Hi Ryan,

Yes makes sense for me to take it from you.....

Am assuming the sensors/ cells will remain available?

Cheers

Mick

Hi Mick

I hope this finds you well.

I mention this as you have in the past purchased the Mysign O monitors (with alarms). As you are probably aware, they are no longer manufactured. However, we currently have one device left in stock, which had been used for internal training and is as-new, but we could offer a slightly better price on it if it was of interest.

If in the future you are looking for a device with alarms, then we can supply the MAXO2 ME, but it is more expensive.

Kind regards

Ryan

Good morning,

Just a quick email to ask if proforma invoice MAN164900 is still required?

It expires next Monday, August 24th, at which time I will delete it.

I can of course issue another at any time.

Many thanks.

Kind regards

Good morning Mick,

Thank you for your order.

Please see proforma invoice attached, it is valid for 30 days. These are not currently in stock, so would have a lead time.
