To: Aqib Majeed <aqib.majeed@vandagraph.co.uk>, Michael Lamb <michael.lamb@vandagraph.co.uk>, Kate Griffiths <kate.griffiths@vandagraph.co.uk>, Sophie Lines <sophie.lines@vandagraph.co.uk>, Emily Morton <emily.morton@vandagraph.co.uk>

Hi, please can we set them up on the system as a trade customer and issue them with a proforma invoice.

Company: Punt Alfa Diving
EORI: BE0630521180

Thank you, Ryan

Onderwerp: Re: oxygen analyzers

Hi Katrien

Thank you for the clarification.

We do not have distributors in your region, but we can supply you on a trade basis, if this is of interest to you.

To put your mind at rest, we do not impose any minimum order quantities, we would only ask that orders are prepaid prior to dispatch by either bank transfer or credit card.

I have attached our trade and retail pricing and some product information for your reference.

If you are interested, please send me the following information and I will have you set up on our system:

- Complete delivery and billing address
- Names, phone numbers and email address for the owners and key contacts
- Company EORI number or VAT number

If you are not already importing from outside of the EU, then you should know that we would not charge any VAT on the goods:

- You will likely be asked to pay this VAT before customs release the goods.
- However, this Import VAT is not an extra cost for your business, it can usually be reclaimed in your normal VAT return, provided your company is VAT registered and complies with local tax rules.

I look forward to hearing from you and please never hesitate to contact me if you have any questions.

Kind regards
Ryan

Good morning,

Thank you for your message.

We are a dive shop since 1996 in Heist op den Berg. We are a customer of the De Hues group (Hollis, Zeagle, Oceanic, Atomic), and the Head group (Mares, Aqualung, Apeks) and other smaller brands like Cressi, Seassub, and AP Diving. The website is from the club founded by us, but our website is currently offline <https://puntalfadiving.ccvshop.be>. We are looking for the analyzers specifically for sale, but rather in smaller quantities. You find us also on Facebook: <https://www.facebook.com/photo/?fbid=679925657473459&set=a.493004366165590> I hope you can help.

Sincerely regards,
Katrien

Dear Katrien

Thank you very much for your email and your interest in our products.

I took a look at your website and it appears you are a club, is that correct? Are you looking for analysers for your club members or are you wanting to resell them?

Kind regards
Ryan
