Hi Elizabeth,

Thank you for your reply.

Just to clarify, the original part number 0014002 has been discontinued and we will not be receiving any further stock. We currently only have 8 units remaining.

Could you please confirm which option you would prefer for the 10 units on your order:

- 8 units of part 0014002 from our remaining stock, and 2 units of the compatible alternative part 6011004 (4–6 week lead time); or
- 10 units of the compatible alternative part 6011004 (4–6 week lead time).

Alternatively, we can simply supply just the 8 units of part 0014002 that we currently have available.

Please let me know which option you would like us to proceed with.

Kind regards
