RE: Copper Sealing Washer

Number of pages including cover sheet: 1**Message**

Dear Derek,

Thank you for your fax addressed to Chris, who is currently away from the office on business.

We continue to use the gauge seal in question on another of our products and we would therefore be willing to sell these to you for your use on the Tom Thumb units.

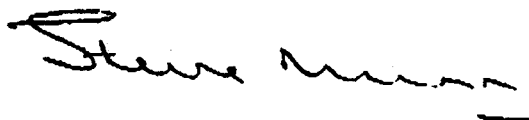

The details are as follows:

Part No. 6650-05 - 1/8" Copper Washer - Price £0.50.

I trust the above meets with your approval.

Kind regards.

Yours sincerely,

Steve Munn
