

VM3COP29.05 – Goods Out – Franking Machine Credit

When the franking machine displays a message advising that the funds are low, additional credit needs to be added.

1. To add credit, click the button with the coin icon.

2. Use the arrows to navigate to number 2, 'Credit' and press the 'OK' button

3. Enter the value using the numeric keypad, always choose £500.00 credit and press 'OK'
4. Press 'OK' to complete the transaction

5. To continue franking, press the back button
