Hi Dan,

Just to confirm. You will provide Davina from Reigate with 1 x 1500121-5 as our last one is going to OK Medical.

As I understand it, you still want me to put an order on for 1 x 1500121-5, but no goods to be shipped, just for us to invoice?

I have asked Derek to order stock.

I await your reply.

Thank you.

Kind regards

Slight issue with the Harvey street skin Reigate order. What they wanted is 3.5 sterile Bodyjet cannula not beauli cannulas. Can we please get these out to them for latest end of play Thursday and arrange collection of the others?

You have 3.5 infiltration. This is for first phase.

Aspiration are for second phase. Harvesting. Is this what you mean? Product number will be on the box. If you can send me that I will know which one you need.

Hi Davina,

Ok, that's a shame. The infiltration cannulas only come in 3.5mm. I think what you need is the 3.8mm aspiration cannulas.

If you can confirm this then I will place the order. If you can send the ones back that you have then we will credit your account.

In future, if you can quote the part number then this will stop any confusion.

Kind regards
