Hi Dan,

I have attached the last invoice, please could you confirm that we can use this as the paperwork that we need?

Thank you.

Morning Dan

I am unsure of the two dates you have, currently I am only aware of the Ahmad case which is on the 25th June starting at 13.30 so for the team which is working that day the training would be most beneficial then. I have spoken to John regards the purchase of the system but still feel that it is only being requested maybe every couple of months, however I will look in to it.

Many Thanks

Good morning

Can you please let me know which of the two days you would like us to attend for the case? Training can be done on the same day.
