**Oxygen hood pricing incorrect in Intrastats**  
Issue ID #134443  
Date Created 17/Dec/2018  
Issued To: Catrin Hird  
Completed Status: 18 Dec 2018

Notes:

Added by Steve Hardaker sent to Catrin Hird

There seems to be an error on some of the Intrastats pricing for the acrylic items on the recent mailshot.

Milton Keynes Hospital got the mailing and enquired about PP8788 and PP8526. On both of these, the prices listed on Intrastats appears to be 25% off the price already discounted by 15% previously, instead of 25% off the List price.

I mentioned it to the office staff today but is this something you can correct or does it need Steve or Derek to fix?

Updated, thanks for spotting. Will ask DL to push prices through now.
