Hi Adele,

We can't get anything out today as we have missed the last collection some time ago, but we will be able to ship tomorrow.

To ensure that the order is processed correctly, please can I just ask you to confirm that you require the following:

1x 2810009 - MD300-C5 Paediatric Finger Pulse Oximeter @ £31.67+VAT

<https://www.viamed.co.uk/uk/?uid=&sessionid=&g=&i=2&mobile=&&page=productview&cat=354&subcat=483&productid=2810009>

I have cc'd this to our sales office at sales@viamed.co.uk so could I ask you to ensure that you 'reply to all' or otherwise cc them into your response to ensure that they get the order as soon as possible, thanks.

Regards,
Steve

Hi Richard,

Yes, we still do the MD300-C5 in standard pale blue, in the yellow 'teddy bear' design and the green 'frog' design. The complete offering can be found on our website and I have attached the distributor price list for reference:

<https://www.viamed.co.uk/uk/?uid=&sessionid=&g=&i=&mobile=&i=2&page=catagory&cat=354&subcat=483>

I have spoken to Catrin in Marketing (cc'd in) and it appears that you may not have been advised of some recent product discontinuations for products that still appear on your website, so I have asked her to update you on those.

Steve
