February 2020

Dear Supplier,

To allow Viamed to keep up to date with our cost pricing, we are asking our suppliers to advise us on how your price changes are notified.

Please can you provide answers to the following questions:

1. **Do you have regular pricing review dates or are prices reviewed on an 'as necessary' basis?**

Annual Price Increase, however not all product prices are increased

2. **Do you provide customers with notification of price increases as they are implemented?**

Yes ☒ No ☐

If so:

- a. By what method? New Catalogue and website updated  
b. What notice period is given? Typically we will advise in January and implement in February

3. **Please provide the name, contact telephone number and email address of the appropriate person(s) within your organisation to direct any pricing enquiries to?**

Name: Gemma Yorston

Company: MEC Medical Ltd

Contact Number: 01462 436396

Email Address: Gemma.Yorston@mecmedical.com

Please complete and return to us by email or fax, using the details above.

Thank you in advance, your answers will help Viamed to maintain an efficient supply chain.

I look forward to hearing from you.

Yours faithfully
