Dear Kate,

Please send quotation for both M-16 and R-49V, and about MLF-16 ? Please inform delivery date.

Also send technical data sheet for all references.

Can you please explain what you mean by " M-16 and M-16T are the same sensor, only one is clear and one is not one is clear and one is not".

Best regards

Good afternoon Elisabete,

Thank you for your emails.

Ryan has informed me that the M-16 and M-16T are the same sensor, only one is clear and one is not and he would suggest the R-49V as a replacement.

500+ sensors would have a lead time of around six weeks.

Please let me know which item you would like the quotation for? 1 x R49V or 1 x M-16.

Thank you.

Kind regards

Kate Griffiths
