Further to discussions earlier today. Narked at 90 can only transfer 50K per day, so I suggest that we send the following pro-formas, so that they can pay over the next week. We can ship on their UPS account (this will guard us against insurance claims).

Need to get at least one emailed today.

Totals of:

7,200 x R-22MED

7,200 x T Pieces (supplied in bags of 100)

NOTE: the second one has larger quantities.
