Hi

After discussing with Steve can I please place an order for

100 x R22a oxygen sensors for immediate dispatch with the PO Number JH310320

And also two pre orders for despatch around 15 June & 15 September respectively

PO June: 150620

PO Sept: 150920

In the hope there will be enough to go around.

Stay safe all

Best Regards

Janice
