## To our suppliers

### We are moving to new premises!

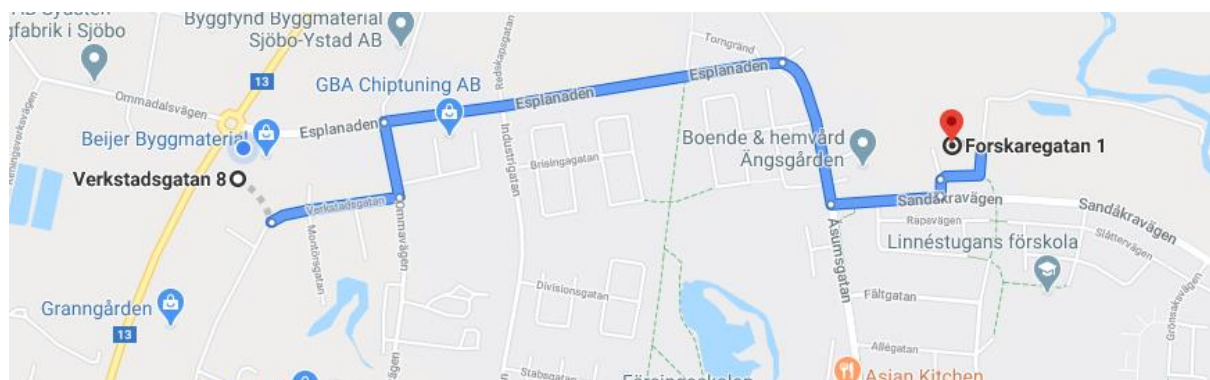

We at Swevet always aim to provide excellent service to our customers in the most efficient way possible. To achieve this goal we are relocating our office, pharmacy and storage warehouse to new and more modern facilities. This will increase efficiencies in our warehouse and ensure delivery times to our customers are the shortest possible, with a higher degree of service and eventually a larger assortment. We are also gaining a lecture room and professional meeting facilities to allow us to attend to your needs on site.

#### **Following are some important dates for shipment and deliveries to us:**

**April 8:** Last day of delivery to our old premises at Verkstadsgatan 8, SE-27539 SJÖBO

**April 9:** We open the new warehouse and all deliveries will now be shipped to the new premises at Forskaregatan 3, SE-275 37 SJÖBO.

Swevet cannot take responsibility for deliveries to the wrong address.
