Hi Steve,

Good Morning. Following on from the below, I was wondering how you were getting on in relation to the Quotation for the 48 AX300 for me?

In addition, it looks like we will also need the R17MED Sensor and we will require 8 of those following further review of the BoM:

R17MED	Sensor - Oxygen analyser	VIAMED LTD
AX300i	Oxygen Analyser AX300i	VIAMED LTD

Could you kindly get back to me with a quotation please?

Best Regards

James
