Hi Helen,

The admin charges to be charged from Viamed for April 20 are: Vandagraph: 4190.70 +VAT
VST: £1459.26 + VAT

We have been dividing group commissions by 3, but may need to think about it as VST turnover will have temporarily disappeared, Vandagraph mainly for sales to Viamed and Viamed - Whew! You and Derek may need to think about when you have time.

Can you or Derek let me know what Ryan's commission will be for May salary when you give me the group commissions please

Jean
