Onderwerp: Website question

Good morning Marc,

Thank you for your website question.

Item 1410000, the V1000 Foetal Heart Simulator has a lead time of approximately 4-6 weeks.

The price is €775 each EXW.

If you require a proforma invoice, I would need your invoice and delivery addresses in order to set up a new account for you.

Viamed is the distributor for this item.

Please let me know if I can be of any further assistance.

Many thanks.

Kind regards.

Kate Griffiths
