I did place the order last month for mid may delivery. Are you sure you this isn't already in the system?

Dear Glenn,

Apologies, I have been off work these last few days. However, I did ask a colleague to get back to you in my absence?

Unfortunately we do not have any free stock and the lead time will be approximately the end of June.

If you would like to place an order to secure the stock coming in, please let me know.

Kind regards
