Good afternoon Patrick,

Thank you for your enquiry.

The price for one MAX-250(B) Sensor is €92.00.

If you would like an official quotation please let me know. I would just need your full invoice and delivery address and a VAT number.

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin Staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.
