**Subject:** Re: Purchase Oxygen sensor

Good morning William,

Thank you for your enquiry.

In order for me to email you a proforma invoice, I would need your invoice and delivery addresses, so I can set up a new account for you.

The price in UK pounds for the R-17MED when purchasing one is £42 each.

The other price breaks are as follows:

1 = £ 42.00

2 = £ 38.00

3 = £ 36.00

11 = £ 34.00

Carriage is free for medical oxygen sensors to UK addresses.

All prices are excluding VAT.

I await your reply.

Kind regards

Kate Griffiths

**Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.**
