Dear Sudath,

Thank you for your email.

I hope that you are well.

We are still working from home with only two members working in the warehouse so we can ship out orders.

Things in the UK are not back to normal and I think it will be several months before all shops, businesses and schools are back open. Our banks have been working throughout the pandemic but with limited staff and branches open.

I have checked with our accounts department and unfortunately payment would need to come from Prime Lanka and not direct from your customer, especially if we are sending you a proforma invoice at distributor prices.

Kind regards
