Hi Alison,

Thank you for your email. I will amend your order to show 4 x MD300-C53 Paediatric Finger Pulse frog design (2810007), as you know this is the paediatric model. I will remove the cases that fit the other pulse oximeter from the order if this is acceptable.

Many thanks.

Kind regards

Kate Griffiths

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.

Good afternoon Alison,

Thank you for your purchase order.

We are we are currently out of stock of part number 2810037 (MD-300C21C) and as yet we are unable to give a lead time, it would be at least a couple of months though.

We can however offer the following alternative (in stock for delivery within 1-2 working days):

MD300-C53 Paediatric Finger Pulse **frog design** (2810007), price breaks below:

1 = £ 31.67

2 = £ 29.59

3 = £ 28.89

11 = £ 27.88

50 = £ 23.56

Although these are smaller, they do work on average adults. However we must add that they **may struggle to get good readings on patients with larger diameter fingers.**

Alternatively, please see link below to our website to search for the two options that we hope to have in stock in the coming weeks.

2810052 - A2 LED Finger Pulse Oximeter £24.00 each

2810053 - A3 TFT Finger Pulse Oximeter £26.00 each

<https://www.viamed.co.uk/uk/?page=search>

Please let me know how you would like us to proceed.

Many thanks.

Kind regards

Kate Griffiths
