Thank you for your purchase order.

Unfortunately, we are unable to supply 25 x 0110058, T-7V oxygen sensors at this time. We are expecting new stock to be available in mid/late July.

We are able to offer our compatible MAX-17 - 0110417, but still not the full 25. Currently we could offer 11, depending upon stock sold in the meantime.

The price breaks for the MAX-17 are as follows:

1 = £ 80.00	2 = £ 72.00	3 = £ 68.00	11 = £ 64.00
-------------	-------------	-------------	--------------

I could perhaps amend your order to 11 x 0110417 and 14 x 011058?

I await your reply.

Many thanks.

Kind regards

Kate Griffiths
