Dear Hanson,

I am just following up on my previous email.

Is this proforma being delivered to Hong Kong or China?

We no longer have any stock of the MX300 or AX300 and are unsure if we can get anymore in the future.

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal

Dear Hanson,

I have spoken to our accounts and they would prefer the extra 3 sensors to be included on your new proforma.

We can not get hold of anymore MX300-I so I can not include these on your proforma.

I will make a proforma for 3 x UFO and 3 x AX300-I if that is ok?

If you have any further queries, please do not hesitate to contact me.

Dear Hanson,

There are delays with sensors coming into stock as the result of Covid19.

I can do not you a definite date but it will be approximate 1-2 weeks for the first ten sensors.

I can make another proforma invoice for an extra 13 sensors but I can not guarantee that we can ship these with the outstanding 10 as we have back orders already on the system and unsure how many we will have spare.

We do not have any MX300 and we are unsure if we can get hold of anymore stock but I can offer you the AX300 instead?

If you have any further queries, please do not hesitate to contact me.
