Dear João

We are all very well, thank you. I hope you are too.

Although we are on a partial shut down to our warehouse, we are still processing orders, please note that there may be a couple of day delay in dispatch.

I am pleased to inform you that we have the MAX-250E available from stock.

MAX-250E = GBP £52 each EXW

With disruptions to the delivery services, I would suggest we send it by Airmail Tacked & Signed Service which would cost GBP £11.

Best regards

Ryan

Dear Ryan

First of all, I hope that everyone is in good health in this very complicated period of pandemic that we are experiencing.

I would like to ask if they are working and if they have a Max -250E cell

OEM Sensor Part No. R125P03-002 available for delivery & price to us , please.

Best Regards
