Good afternoon,

Thank you for your email. I will send you a proforma invoice with EXW and paypal after the weekend. I would need to know how many sensors you require please?

I would also need your invoice and delivery addresses in order to set up a new account for you.

Many thanks.

Kind regards

Kate Griffiths

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.

The lead time could be as long as 8 weeks. This is very approximate due to the current pandemic.

Kind regards

Good morning Mariano,

Thank you for your website question.

The price of item 0110017 R-17MED Oxygen Sensor is \$34.50 each EXW.

There may be a long lead time for this item as worldwide there is a stock issue currently.

If you require a proforma invoice, I would need your invoice and delivery addresses in order to set up a new account for you.

Many thanks.

Kind regards

Kate Griffiths
