Good morning Terina,

Thank you for the updated purchase order.

The price has been amended on the PO, but the part number shows **01104096**.

The nearest part number we have to that is **0110409** - Oxygen sensor MAX-9.

If you require this item, please let me know.

This item would have a lead time of approximately 3-4 weeks. This lead time is approximate, it is very difficult to obtain accurate lead times at the present moment.

Please let me know how you would like me to proceed.

Many thanks.

Kind regards

Kate Griffiths
