Hi Simone

Please accept my reply on Jean's behalf.

Thank you very much for your order. Unfortunately we do not have any R-41V sensors available, as they are being used in the medical industry to help with the pandemic. It is unlikely that we will have any R-41V sensors within the next 3 months.

Do you want to keep the R-41V on back order or would you prefer to cancel it?

Do you want us to ship the R-33DE straight away?

I will await your reply.

Best regards

Ryan

You should have our company information (Company name: Sport Sub Viareggio) but in case you need something let me know.
