Good morning Laurentiu,

I am contacting you in regards to the lead time for this order.

There are quite long delays due to demand and the Covid19 situation.

As an alternative, we can offer you the T-7V sensor.

These are £38.00 each for two.

Please can you confirm if you are happy to accept these instead?

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin Staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.
