Dear Sudath,

Flowsensor SpiroTrue A (PC), part number, 4310002 - no stock due until towards the end of July. Limited free stock will be coming in due to back orders already on the system. We are waiting for more stock of the R-24MED sensors to arrive but no date as yet to when.

Kind regards

Sarah Walton
Customer Service Representative

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin Staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.
