Dear Adnan

The price is our distributor pricing and unfortunately there is no further discount available. Please let me know if you are still happy to proceed?

Best regards

Ryan

Dear Adnan

Please can you provide me with your complete company details, address and contact telephone number. I am not familiar with EMS Courier, we use UPS or we can ship on your behalf if you provide us with your courier account number.

I look forward to hearing from you.

Best regards

Ryan

Dear Adnan

Thank you very much for your enquiry via our website.

We offer a large range of O2 sensors, but unfortunately we do not currently offer a suitable replacement for the Hamilton C2.

I am sorry that I could not be of more help.

Please let me know if you have any other questions.

Best regards

Ryan
