Hi Zoey,

CARS have agreed the alternatives as per the email below, we offered a part shipment of 20 as that's all we have. May as well leave the balance as R-22AVG in case some come in, I will offer R-22A again if they come in first.

We need to amend their order to reduce the R-22AVG to 10 and add 20x 0110122 R-22A to be part shipped ASAP.

Please add the memo to the R-22A to state "with higher outputs to match the spec of R-22AVG".

Thanks,

Steve
