Dear Claudio

Thank you for your email, please accept my reply on Jean's behalf.

Unfortunately, we are completely out of stock of the R-41V sensors and we are unable to get anymore for at least 2-3 months, as Medical sensors are in such high demand at the moment.

I am very sorry for the inconvenience, would you like to leave the sensors on back order for when they become available or cancel your order?

I will await your reply.

Best regards

Ryan
