Dear Sarah,

this increase is very unpleasant.

But unfortunately we definitely need the items and we still order the 3 pieces T-7 at the higher price.

What delivery time do you have for them?

Thanks and kind regards

Dear Tim,

Thank you for your purchase order.

I am sorry to say that Teledyne has increased the price of the T-7 dramatically and unfortunately the new price is \$60. Normally we would give our partners prior notice, but because we had no stock, due the recent increase in demand, we were unable to do this.

We can offer the Viamed/Envitec version, the T-7V (0110058) = USD \$31.50 EXW - We do not have any stock available and the lead time will be approximately 6 - 8 weeks.

I have placed your order on hold until you advise how you would like to proceed.

Kind regards

Sarah Walton
