Good morning Seb,

Thank you for your email.

I have been advised that the **R-22AV - 0110132 would be a better match for the Stargas technotest 898**. The price is €51.60 each EXW.

*In case you need the price of the R-22A - 0110122, it is €51.60 each EXW.*

If you require a proforma invoice with insurance and shipping costs, I would need your delivery and invoice addresses in order to set up a new account.

The delivery cost would be €20.17 approximately. We use UPS.

Many thanks.

Kind regards

Kate Griffiths
