Dear Silverio Oliveira

Thank you very much for your email.

Please find our trade pricing below:

0131202 - Coiled cable = USD $20 each EXW

We can spare 150x from our current stock for immediate delivery. We will have another 500x spare in August and the balance would be available approximately 3 months from the date of order.

0131150 - Straight cable = USD $20 each EXW

We have 187x available from stock for immediate delivery, but we were not intending to continue with this product after the stock has gone.

Please let me know if you have any questions or if you would like to proceed with an order.

Kind regards

Ryan
