Good morning Pav,

The payments we accept are bank transfer and paypal. Due to working remotely, it is difficult to take any card payments at the moment. Please let me know if/when you are ready for me to create a proforma invoice for you. If you choose paypal as your method of payment, the 6% fees would show on the proforma invoice.

I am not in a position to guarantee delivery by July 18th as the stock is not yet available.

Kind regards

Kate Griffiths

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.

Good morning Pav,

Thank you for your reply.

I have been informed we are expecting stock next week. Would you like me to issue a proforma today in order for you to make payment and secure stock? I would need your invoice and delivery addresses in order to set up a new account for you.

Many thanks.

Kind regards

Good afternoon Pavol,

I do not think this is possible as we do not have any stock at all and I can give you no definite lead time. I am still awaiting a reply from our commercial director but I am afraid I am unable to give you better news.

Do you still want me to go ahead with a proforma invoice? Then you would be on our system for stock to be allocated to you. I appreciate you may not require this as we are unable to get the device to you this week.

Thank you.

Kind regards

Kate Griffiths

Good afternoon Sara,

Thank you for your enquiry.

Our part number for the MaxO2+A is 0111260. This is the MaxO2+A.

This item costs £229 each, regardless of quantity purchased. Carriage is £10. All prices are excluding VAT.

This item is currently out of stock, but I have asked our commercial director for a lead time, and as soon as I receive a reply, I will email you.

I have attached a leaflet for your information.

Kind regards

Kate Griffiths

Good Morning,

On viewing your website I can see that you stock the below item

is Maxtec MaxO2+A, part number either R217P46 or R217P62 - we do not want the AE version with the external sensor

Could you provide a quote for 1 off and also 2 off please including delivery costs and times.

Many thanks for your help with this.

Kind Regards,

Sara Edwards
