Hello Kate Griffiths :

Thanks for your response,

At the delivery addresses,

Could you change the country to Taiwan(R.O.C.) or Taiwan?

This is not reason for any political factory,

Just because I see in the network somebody say if only write Republic of China,

It possibility will be send to China,

Thanks for your help.

The content of the invoice is no problem,

This is my first time use English to write e-mail,

If my choice of word is inappropriate,

Please forgive me,

Thank you very much.

Best regards.
SeanXhi
