Notes 02/Jul/2020 Zoey Teal

02/Jul/2020 Zoey Teal

The customer emailed to say the sensor was broken when it arrived.

Spoke to Cathy and requested for a picture of the outer cardboard box but the customer was unable to supply one.

C.G asked for the sensor to be sent back to us on our UPS account and we would send a replacement out.

I have attached the emails from the customer. Serial number 466276.

18/Jul/2020 Catherine Spence

received back, box is damaged, but looks like it has been stood on or dropped. Replacing as a good will gesture
