FAO Mr Steve Hardaker

Dear Steve

Ref - Mattress Logo /Sample.

I have passed on the information regarding the positioning of the logo and colour preference etc and asked for an update on the current status of which I will forward to you ASAP.

I also checked on the material sample that you mentioned, unfortunately it got mixed with others and was taken to Germany for the exhibition I mentioned, however I have been able to get another sample and enclose this for your perusal.

Gill and Michael will be back from their trip on Monday but if I can help with any queries please do not hesitate to contact me.

Yours faithfully

Geoff Pickles
Export Sales Advisor.
