Good morning Sammy,

Thank you for your email.

The calibration certificate is supplied as standard with each new V1000. I can issue a proforma invoice with paypal as the method of payment, this incurs a 6% fee.

The item is supplied in a hard plastic carry case. A case protector, part number 1420001 costs \$31.50. Please see attached leaflet and photo below:

If you would like a proforma invoice detailing carriage charges, paypal fee etc, I would need your invoice and delivery addresses in order to set up a new account for you.

Please let me know if you would like any further assistance.

Many thanks.

Kind regards
