Please make them 3 O2 cells to order one shot.

If possible for you, can you send me the picture of the O2 cell to confirm the shape and the connexion is correct?

Good morning Marc,

Thank you for your email.

Unfortunately, I am unable to give you any better news about the lead time. We would ship as soon as the sensors are available.

If you require a proforma invoice detailing carriage charges etc; I would need your delivery and invoice addresses in order to set up a new account for you.

Our bank details would show on the proforma invoice to enable you to make a bank transfer. Alternatively, you could pay by paypal which incurs a 6% fee of the total order.

Please let me know if I can be of any further assistance.

Many thanks.

Kind regards

Kate Griffiths
