Dear Maxine,

Thank you for the update.

I just wanted to check our latest stock situation, as I believe we have recently received some adult finger pulse oximeters from the MD300 range, but not ones we have stocked before - the MD300-C19, part number is 2810049 - I have attached a picture to this email.

The price breaks are as follows

1 = £ 26.92

2 = £ 24.84

3 = £ 24.14

**11 = £ 23.13**

50 = £ 19.52

We have these available in stock - please let me know if you are happy to proceed with this alternative?

I look forward to your reply

Kind regards

Sophie Lines

Hi Claire

I replied to Tamara saying we will have to wait until the item comes into stock unless there was an alternative and I heard nothing more, the children's ones will not be any good as we deal with adults only hence why I said we would wait unless there was an alternative.

Kind Regards

Good afternoon Claire,

Thank you for your email.

I can see that my colleague Sophie emailed Tamara to inform her that we are out of stock of part number 2810046 and offered an alternative. Tamara then forwarded the below email to Maxine.

Please can confirm how you would like to proceed?

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal

Dear Tamara,

Thank you for your order for 15x 2810046 (MD300-C15 LCD Finger Pulse Oximeter). Unfortunately we do not have these in stock - I have been advised that the supplier is working on back orders until at least August 2020 and not currently accepting new orders - it also remains unclear whether this model will be available again when they resume.

We are currently waiting for a delivery of a new product - 'A Series' Finger Pulse Oximeter as seen here on our website:

<https://www.viamed.co.uk/uk/?uid=&sessionid=&g=&i=2&mobile=&page=category&cat=354&subcat=637>

I am not sure what the lead time is on these - hopefully within the next couple of weeks, however given the current situation this cannot be guaranteed.

If your requirement is urgent, we do have some available in stock of the MD300-C5 Paediatric version - these are smaller than the adult models and have child friendly designs, but do work on the majority of adults with average sized hands. We have the frog design remaining in stock (part number 2810007) and they are priced as follows:

1 unit = £ 31.67  
2 units = £ 29.59  
3-10 units = £ 28.89  
11-49 = £ 27.88

50+ = £23.56

(ex VAT)

Please find a leaflet attached

Please let me know how you would like to proceed.

Kind regards

Sophie Lines
