Hi Sophie

Thank you for the email below saying we need to add a carriage charge to GG595171. Can you let me know why there is an £8.00 charge as the last pricing agreement I have, agreed with Catrin Hollings states these items as Delivery excluded (see attached email from Catrin Hollings).

I have not been contacted so I presume the attached prices are still valid.

Please let me know if this has changed.

Dear Annette,

Thank you for your email regarding pricing from Viamed. As a small family run business we are currently working very hard to supply the NHS with the vital products it requires to deal with this current pandemic. Unfortunately, due to this we have not yet been able to complete our full pricing review for 2020 as yet.

Therefore, I have reviewed the pricing which you have supplied to the attached email and can confirm that they are correct, at present. Once we have completed our pricing review we will be sending out updated pricing spreadsheets to all customers providing the 30 days notice as requested by the NHS, where possible.

Should you have any questions in the meantime please do not hesitate in contacting me.

Kind regards

Catrin Hollings
