Good afternoon Vagelis,

I am sorry for the delay. Unfortunately, I am still unable to give you a definite lead time, but an approximate lead time would be 8 weeks.

Do you still need a proforma invoice or is this lead time too long for you?

I am sorry I am unable to give you better news.

Many thanks for your patience.

Kind regards

Kate Griffiths

Good morning Vagelis.

Thank you for your email.

Unfortunately we are not able to ship the R-22MED at the moment due to stock. I would be happy to send you a proforma invoice, but I just wanted to let you know we are not able to provide your item urgently as you have requested.

Would you like me to go ahead with your proforma invoice? If so, would you require paypal as a method of payment and express shipping?

At this time, I am unable to give you a lead time, but I hope to have that information next week.

I am sorry we are unable to assist you with the urdent sensor.

Kind regards

Kate Griffiths

Good afternoon Vagelis,

The price for a R-22MED oxygen sensor, part number 0110022 varies upon quantity purchased, as below:

1 = €56.00	2 = €50.40	3 = €47.76	11 = €44.80
------------	------------	------------	-------------

As I mentioned before, we cannot accept credit card payments.

If you would like a proforma invoice, I would need your invoice and delivery addresses. Are they both:

I await your reply.
