Good morning Christine,

Thank you very much for your email.

We do not have any news on the R-41V sensors at the moment.

We can offer R-22SHO, R-33VAN and R-33S.

We are hoping to get some more R-17VAN this week.

Unfortunately all the other sensors are scheduled for the end of September, but these are changeable.

Sorry we can not be more specific at this time.

Kind regards

Gail Bell
