Good afternoon,

Thank you for your order.

Unfortunately we do not have any stock of part number 4310002 (Flowsensors APC (Pack of 5) at the moment. We are experiencing unprecedented delays and may not have more stock available for another 2-3 months.

We are able to offer an alternative product - part number 4310001 - Flowsensor A - (Pack of 5). The only difference between the two products is that 4310001 are single use only and 4310002 are labelled as autoclavable. These are also priced at £60.00.

Please advise if you are happy to accept 4310001 instead or if you would like to wait for part 4310002?

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin Staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.
